#### Notes:

- 1. Net decrease in total account balances of \$5,562 as dues collections dropped off significantly in December after a late mailing in November. Delay in sending the fall newsletter (with donation request), also influenced lower collections.
- 2. Operating expenses for December were \$800 over budget due to reimbursement of unbudgeted and previously unsubmitted webmaster expenses dating back to April 2009 and \$1,700 in various vehicle and station service.
- 3. YTD net income, which was better than budget last month, reflected a shortfall to budget from December's lower dues collections. Gross income and expenses were significantly higher for the FY 2009 period due to the Arts and Craft Fair and turnout grant and offsetting expense.
- 4. The variance to budget of YTD losses have grown to almost \$5,000 during the month. Budgeted dumpster revenues account for \$4,000 of the difference and will be credited to the WFPA account in January. Adjusted budget shortfall would have reflected \$1,000 otherwise.
- 5. Cash postion remains strong at just over 1.6X FY 2010 budgeted expenses.
